A drunk
girl, a no-strings-
attached fuck...
what a great party
for the both
of them!

Just got laid for the first time! See, I was at this party and I guess I got drunk on the punch because I was dirty dancing with this cute guy and he was rubbing his crotch against me. So we went outside and he backed me up against the garage wall. Then he lifted up my skirt, pulled down my panties and just stuck it in. Whoa, my cherry was popped! He did me real hard, too; I never knew a guy could go so fast! After awhile he grabbed my butt and started spooging. Some of it dribbled on my panties so I keep them in my drawer to remember him by (even though I can't seem to remember his name!)

Stuart

I'm totally a lesbian even though I haven't actually done it with a girl yet. But I do have a girly mag at home and just looking at the pics gets me off good. And there's this one girl at school I have a crush on. I think about her all the time, like I want to kiss her real hard and press my titties up against hers. Then I'd open up her pussy lips and lick all over before sucking on her clit, kind of teasing her, you know? I'd flick my tongue real fast over and over till she'd cream all over my face, then I'd lick her clean and kiss her so she could taste her own pussy juice. Sounds yummy, huh?

Letters

... that my breasts were too big, but my boyfriend even says they're just perfect. Perfect Perfect mouthfuls. And last week, he showered with me for—

"So tight hot," he groaned, "take your sweet little cunt!"

He turned on watching his cock appear and disappear between my breasts! I leaned up and caught the whole head of his time my tongue adorning and licking just what he wanted. My spit made it slick, and pretty soon he started moving faster, harder his cock sinking into my mouth on every stroke. It was so hot, watching him get more and more turned on making me wetter by the minute! He moved faster and faster, then right at the end, let go of my tits and buried his cock in my mouth while it jerked and those hot spurts of cum went right down my throat! I just gulped it down, my tongue lapping up every drop. After that he jerked me until I came, too, and believe me, it didn't take much time. I'll probably let him put his cock in there again sometime. For now, my tits are perfect!

is it to watch your

What an
ass-fucking
ho! Carmen's
guy is so lucky,
but then again,
so is she!

CARMEN

I think any girl who hasn't done it up the ass is totally lame! I mean, guys always want to stick it up there, it's like their biggest fuck fantasy. Plus, it's dirty as hell and that gets girls off, too. Like, when my boyfriend and me do it I stick my ass up in the air and first he uses this greasy lube and does me with his fingers. How nasty is that?! But then when his cock is in, it's fucking awesome. I feel like some whore in a porno and I make him do me really hard so his balls are banging on my wet cunt. Afterward, if he's still horny, I give him a blowjob. See, I told you it was dirty!

teen porn star like
Jackie Ashe
relaxes at home?
Check it out!

I rented this apartment with this awesome tub. See, it's got this spout that comes out real far, so the first time I took a bath, I just stuck my cunny right under it. Man, was it intense 'cause it, like, did my clitty and my hole at the same time! Everything got all warm and squishy and pretty soon my clitty was all swollen and I started shaking, like I do before I cum in all my movies! Then it hits and I freak out, and all I can feel is the water on my cunny! I do it all the time and the cool thing is that no one knows, they just think I'm taking a regular bath! A nice, dirty bath!

sssshhhhhh!!!!!!!

It'll only hurt if you want it to!

100% TSTV

I was in the hospital, lying in bed, feeling like I was in a limbo. I kept it simple. I made my way through the hospital corridors in my poolside flipflops, searching for the room, my hair still soaking wet, dripping cool water down my back.

He was lying on the floor by the high-dive. And he was lying in a hunched, awkward manner from the state he'd been slumming it at his neighborhood pool. Which he had put on his back with a long bloody scrape down one of his legs and impressively muscled thigh.

He was lying out cold! The nurse said he'd likely be fine, but because of the knock he'd received, they were keeping him overnight. For observation. I was never that big of a fan. Especially 'cause the reason I fell into him was because I'd been gawking at the bundle crammed into his campy Spandex. How does a girl apologize for that?

The room was at the end of the corridor. I pushed open the heavy door, putting a weak smile on my face.

But he was asleep, one long sprawl of tasty fineness. And no one else around. Just his softly measured breathing and the buzz of a bedside fluorescent lamp.

I thought about just go. But I felt so bad and he was all alone. He came straight from the pool, still in my wet bikini under his arm. I thought, suppose it would've been better if I'd covered up more. A lot of guys had done a double take on my giggles on the way here. But I'd been in such a guilt-ridden state to see if the unlucky victim was still alive.

Maybe when he woke up I could fetch him stuff—jello or morphine or something. Be his little nubile whore for a day. Now, that would be big. Licking his gorgeously tanned feet in nothing but a pair of slippers, sliding my full tits with their perky points all over his slippery, suntan-oiled chest, and flat abs, and ...

Shit. I was a crushed-out goner.

I went to lean my hip against the bed, and I better look at my snoozing heartthrob. His hair stuck out in every direction, bleached by the sun. He'd tussled with the sheet in his sleep too. They were twisted low across his belly and the hospital gown was skewed.

There was also that recently familiar mound of lard in special right where it should be, peeking over the edge of the sheet.

Yes, I didn't. Shit. Shannon, you should not!

I nervously lifted the sheet an inch. Slid it down just the slightest bit more.

It was like a jumble of body parts lying in a heap between his thighs. How it all fit in those leotards, I have no idea.

All at once the jumble seemed to sit up. Like someone had pumped it up. It sorted itself out into one long, lean, of virile goods and one long, lean, of eagerness. Definitely would be any Speedos now! The poor guy was getting a hard-on. In his sleep.

I looked to his face. Uh-oh. Not in his sleep. "I—I'm sorry!"

and stepped away. His eyes were wide and staring at me intently, while his boner kept on boning.

He shoved the sheet back down, I glanced at his boner again, thick and heavy now.

"Am I dreaming?" he asked me.

I swallowed and squeaked, "No."

His eyes traveled to my breasts barely contained in my meager bikini top then to the slit in my skirt.

"Come closer."

I stepped forward and his hand was between my thighs in a flash, snaking under my swimsuit. He found where I was getting all oozy-goosy. He spread my legs apart to give him easy access.

Without even a bit of hesitation, my own hand reached over and wrapped around his pole. It surged in my grip, which gave me a surge too.

"Fist it," he said while one of his fingers poked deep into my cream. I gasped at how good it felt and squeezed his penis. Held it tight and worked the loose flesh up and down. While his fingers fucked me with the same quickening rhythm.

His eyes were half closed watching me. I bent over his erection. They spilled forward, over my bikini, and I inhaled extra deeply. My nipples would pop up over the top of my bra.

His eyes got dark and delicious at that little maneuver! He plucked at one boob, then the other, as I put just the bulbous red tip of him into my mouth. My fist kept moving up and down the thickened shaft below. He made all kinds of throaty sounds and that hand of his under my skirt got rabid. I licked my tongue around, circling the knob, then sucked at it. I pumped my fist, swirled and fucked harder.

"Get the hell up here," he growled and his hand on my twat. "Did that feel good?"

slipped off her flip-flops and scrambled onto the high bed. "But he's someone I trust."

"Don't put it on him, kid. Now put your ass in my lap." He was turning onto his side, toward me, and I got what he meant.

I laid down the way he wanted, his cock nudging my ass under the flimsy sheet, his hot breath warming the back of my neck. I helped him tug at my bikini bottoms. Then he undid the belt that secured his cock, and his hand reached over to my breast.

"Why not, anyway? Candy stripper?" He chuckled. I hoped he wouldn't have second thoughts about putting his mouth on me, but I told the truth. "I'm the one who's used and worn out. By the high dive?"

"Yeah, your ass sure was checking out my basket of goodies." I giggled. "Most definitely." I pressed back so his hard-on wedged into the crack of my ass.

His fingers rubbed at one of my distended nipples and I inhaled deeply. "You decided you like it then?"

"Oh, yeah!" I touched my ass cheeks against his cock. His hand moved to the center of my back and prompted me to bend my torso so my swollen pussy lips were more exposed. "How does it see like it?"

"However I want you coming to." I couldn't believe that some out of my control mouth! Even if it was exactly how I felt, my mind still running with that whole whore routine.

He held his hand to my back and probed my opening. "So wet." He was murmuring. "So wet."

He plunged all the way in. One go and he was massaging the very depths of me. I tilted my face to take every morsel of him and had to yelp at how full he was in there, sticking me so deep.

"Oh yeah... you like this fine, don't you?"

I nodded frantically. "Yes! I did! I tried to keep myself from falling off the bed, but he drew out slowly and shoved back in, nice and deep."

He may have been scraping his cock on the bed, but it sure

didn't slow him down. He fixed my hips against the mattress and pumped in and out of me like he was pounding nails in there. Determined and fast. And so wonderfully deep.

I gulped breaths when I could, gripped the side of the bed and let my tits jump around like crazy with his pounding. My pussy burned with slick friction. Hotter and hotter, melting inside!

"Your young pussy is clinging to me so tight!"

I tried to clench my inner muscles even tighter and he grunted his pleasure.

"Play with your clit. Make yourself cum."

Practically as soon as I put my finger down there, I came in a rush. Roll after roll of pure hot goodness flooded me. I felt my pussy clamp onto his cock in rhythm with my orgasm and he started to spurt too. Held himself deep in there and jerked his milk into me.

"Tight little hole. So fresh," he growled into my neck. "You take it all now."

"Yes," I exhaled as he unloaded more and more. "Please." Both of us rode the waves, trembling with jittery exertion.

"Oh, my!" We both whipped our heads around to see one of the hefty hospital nurses parked in the open doorway to his room, mouth gaping, eyes bugged out.

"Look, Nurse Betty!" he taunted her. "She made me all better!"

He flexed his hips against me, his softening cock still deep inside. Moved like he was fucking me again, fake-grunting to the beat. The lady sputtered and sped away.

I nestled my ass against him as he relaxed, our mingled fluids making us all slippery. He stroked my breasts in a lazy way. Guess my unspoken apology was very much accepted! I couldn't help grinning and imagining if I promised to lick his wound, real good, maybe he'd let me "apologize" again real soon. I'm scared just I ran into him!

eve

Eve's the biggest tease ever, but hey, at least she gives guys a little taste!

I 'm not ready to do it all the way, but I still have lots of boyfriends. That's because I let 'em do anything as long as they don't stick it in. Like I'll do 69, 'cause my mouth doesn't count as a hole, and I'll even swallow. And I let 'em lick my pussy or even my asshole; one guy sucked on it for forever. At first it was totally gross, but when I played with my clitty at the same time, I came, like, six times! No kidding! And I'll even let guys rub their dicks down there, like they kind of slide through my wet slit, you know? That makes 'em crazy and they beg me to let them fuck me, but no way!
